Vision of the Department

To be a centre of excellence in the field of Computer Science and Engineering for producing talented engineers for serving constantly changing needs of society and industry throughout their career and life.

Mission of the Department

Mission No.	Mission Statements
M1	Accomplish excellence with committed faculty members by providing theoretical foundation and practical skills for solving complex engineering problems in the state of art trends in Computer science and allied disciplines.
M2	To foster skills and competency, generating novel ideas, entrepreneurship and model creations focused towards deep knowledge, interpersonal skills and leadership.
M3	To develop habitude of research among faculty members and students in the area of Computer Science & allied disciplines by providing the desired environment, for addressing the needs of industry and society.
M4	To mould the students with ethical principles in thoughts, expressions and deeds.

Study and Evaluation Scheme of Data Structure Lab
(BCS-351)

Total No. of Periods: 2 per week

Sessional Evaluation						
Internal Evaluation (I)				External Evaluation (E)		
Sr. No.	Criteria	Marks		Sr. No.	Criteria	Marks
1.	Teacher’s Assessment	50	50 Marks	1.	Written and Machine Test	50 Marks
				2.	Viva	
TOTAL MARKS(I+E)				100 Marks		
CREDIT				1
